## Ground Beef Sale

CCCS has the opportunity to sell locally raise beef. This beef is 90/10 and will be packaged in 1 pound tubes. It will arrive frozen also.

The cost will be \$5.75 per pound. Delivery date will be set once the butcher is done processing; probably right before school is out for the summer.

There's an order form enclosed with this newsletter.

Please have your prepaid orders to the school no later than May 12.

## Business Hours

Please remember the staff is available from 8:15 am - 3:30 pm during school days. After 3:30 pm, please try to understand it is our time to be with our families. We will do our best to answer emails in the evenings but will be sure to respond the next day.

# Spring Festival

The CCCS annual Spring Festival is scheduled for Saturday, May 14, 2022. Mark your calendar now and plan to attend.

Each family is **required** to work a minimum of 2 hours at the festival, donate to the bake sale, and hopefully, the auction.

## Festival NEEDS

Please be sure to sign-up for the shift you can work. Each family is **required** to work at some point. Any questions please call the school. Attached is a sign up sheet along with times available. Also if you signed up your times will be in the appropriate slot. Please check what time you were entered.

If we don't receive your "work reservation" with this newsletter, a place & time will be assigned to you. Also, if you don't work at the festival, a \$50 fee will be assessed to your tuition account.

Remember, this is YOUR child's school.

We need someone willing to drive to Stoystown on Friday, May 12 to pick up the chicken for the barbeque. If this is something you'd be willing to do, please contact the school.

Please pray now for nice weather and a great attendance.
